

MUCHEA CATTLE REPORT 12TH MARCH 2018

Landmark reports 1605 cattle sold at Muchea, Monday 12th March, which included 153 in the calf sale.

Similar numbers to last week came forward with once again a very mixed quality offering.

Heavy bulls started the sale as usual and values eased 10 to 20c/kg.

All young bulls remained equal.

Heavy trade cattle started softer but gradually came up to just under recent quotes.

Lightweight trade lines were barely equal.

All better types of local stores were firm.

Local heavy cows were few in number and values fell 10 to 15c/kg under much quieter competition.

Medium weight cows also eased whilst plain, good quality lines remained equal.
