

## MUCHEA SHEEP REPORT 13<sup>th</sup> March 2018

Today's Muchea sale was of mixed quality and weight with all buyers operating and added to this, a good contingency of store buyers keen to put stock away.

This week's lamb market attracted strong support on all weight classes and saw a sale top of \$151 for heavy weights, ranging from \$140, remaining equal to last sale. Trade and light trade lambs saw some feeders operating and also closed equal while light stores met good grazier restocker inquiry to close equal also.

Heavy mutton was of good quality and ranged from \$121 to \$136 for ewes with wool while bare shorn sold to \$124.50, Trade mutton eased by \$2 to \$3 to sell between \$115 and \$121. Light and boner drafts saw restockers put a floor in the market and this resulted in equal quotes to last sale.

There were equal values for ewe hoggets with the majority selling to restocking graziers with best sales between \$90 and \$105.

Lesser shipper inquiry on the wether lines saw an easing trend of \$2 to \$5 and these sold to graziers and an exporter for between \$ 114.50 and \$134. Light and store drafts returned values of \$60 to \$115.

Better interest on rams suitable for processors and exporters saw a rise of \$2 to \$5 with best sales selling to \$105.
