

MUCHEA VEAL REPORT 4th FEBRUARY 2019

Muchea veal numbers increased dramatically today to see a total of 204 head of which 52 were penned by Landmark.

Demand was down on pastoral bred cattle whilst it increased on local types.

Pastoral bull calves sold between \$105 and \$245 to graziers as there was limited demand from shippers.

Local bull calves also sold to limited demand selling between \$150 and \$190.

Pastoral heifers were in limited demand and supply and sold for \$110.

Local heifers sold to equal demand and price making \$120 to \$300.
