

MUCHEA VEAL REPORT 6th July 2020

Today Muchea agents yarded a total of 130 calves with Nutrien yarding 104 of them. Again competition was strong from the eastern states graziers and local demand was increased again. Butchers were again chancing calves that were suitable for kill.

Pastoral bull calves again met with strong demand from both exporters and graziers. The top bulls made up to \$545 with the average being \$520. Local bull calves made up to \$550.

Local steer calves sold to graziers at \$350 being very light weights. Local heifers also sold to strong grazer demand at \$350-435.

Pastoral heifers also continued the strong sale demand selling up to \$280. Although the bigger lines were not seen today.
