

## MUCHEA CATTLE REPORT 7<sup>th</sup> September 2020

Nutrien Livestock reports a total of 2159 cattle sold at Muchea on Monday 7<sup>th</sup> September which included 70 in the calf sale. Local young and trade lines were few in number with again the dominant percentages being pastoral cows, heifers and bulls. Heavy bulls remained fully as did all grades of bulls suitable or live export and to feed. Heavy pastoral steers were again strong and remained equal. Local young steers and heifers were equal as were all classes of medium and lightweight pastoral steers and heifers. Heavy cows both local and pastoral remained firm as did all medium weights with light pastoral drafts lifting 10c/kg,
