

MUCHEA CATTLE REPORT 19th OCTOBER 2020

Nutrien Livestock reports 2493 cattle sold at Muchea on Monday 19th October with 137 of these sold in the calf sale. Once again, large supplies of pastoral cattle came forward with cows, bulls and heifers dominating. Heavy bulls were equal however, medium weight pastoral gained 5 -10c/kg and best quality lightweight pastoral bulls gained up to 40c/kg with competition from the East. Another good presentation of heavy pastoral steers saw values fully firm. Local trade cattle were few in number and values remained equal. All classes of young cattle remained firm. A good quality yarding of local and pastoral cows saw values across the board remain fully firm.
