

MUCHEA CATTLE REPORT 26th OCTOBER 2020

Nutrien Livestock reports 3552 cattle sold at Muchea on 26/10/2020 with 475 of these sold in the calf sale. There was a good mix of local and pastoral cattle on offer today. Light weight local steers and heifers met strong competition from graziers and Eastern States buyers and prices were up 20c/kg. Feedlot weight cattle 300-400kg also met strong competition to finish up 10-15c/kg. Heavy bullocks were in good supply. Prices remained fully firm on these types. There was a large yarding of cows again this week, with the best of the heavy cows easing 10c/kg, while lighter and store types lifted 15c/kg for restocking. Heavy bulls remained fully firm while light weight export bulls lifted to finish 30c/kg stronger.
