

MUCHEA VEAL REPORT 21st December 2020

Today Muchea agents yarded a total of 57 calves with Nutrien selling 17 of them. With a very short week and the holiday period pending there was a smaller yarding total.

With very little cattle yarded it was difficult to get a fluctuation in prices.

Pastoral bull calves sold to both exporters and local graziers to top at \$475.

Pastoral heifer calves sold to a high of \$385.

Our first sale back will be the 4th January 2021
