

MUCHEA CATTLE REPORT 4th JANUARY 2021

Nutrien Livestock reports 666 cattle sold at Muchea Monday 4th January with 44 of these in the calf sale. The quality was limited in a diminished yarding with values tending to be equal with odd lots of very good quality trade types slightly higher. Ex pastoral heifers depastured met strong enquiry to sell to 340 c/kg. with one live exporter absent young bulls eased slightly. Cows in general were equal.
