Market Comment:

The First sale back for the new year was a very small and mixed quality yarding. the vast majority of local processors and feeders were competing in what is a relatively unchanged market from the previous sale in December.

Trade lambs lacked numbers offered however the few pens available continued to bring strong competition with the top pen in the nutrien yarding making \$159 for a draft of 15 Dorper lambs on behalf of W Clark & A Gillan while the majority sold at rates of \$130 to \$145 per head. store types also remain sought after by agents and feeders alike with the few offered also continuing to remain strong with the majority selling at \$95 to \$125 per head.

The Ewe mutton offered was of a good quality with the top pen making \$161 for 10 Merino Ewes on behalf of Mary Springs Farming. The majority of trade types sold at \$135 to \$150 while lighter trades sold at \$110 to \$130 with boners down to a low of \$40 per head.

Please remember to nominate your stock through your local Nutrien agent, We are 4th sale Next week.
