

## MUCHEA CATTLE REPORT 18<sup>th</sup> January 2021

Nutrien agents report a total of 1559 head yarded at Muchea on the 18<sup>th</sup> January 2021 with Nutrien selling 1007 of the total. With numbers up on last week demand was very similar across all categories. Cow numbers were up this week with the majority of the yarding. There was a mix of local and pastoral type cows. With a larger number of export cows presenting the price held firm with a slight drop of 5c/Kg on the heavy local cows. Heavy bulls were up 20c/kg selling to 352c/kg.

Heavy young steers were in high demand from processors and exporters this week with price remaining firm across the board. Local heavy heifers also remained equal.

Medium weight steers suitable to feed lifted in quality and price this week the best pen making 424c/kg and the lighter end under 300kg topping at 478c/kg. Heifers followed suite and made up to 404c/kg for heavier types and light heifers up to 453c/kg.

There were minimal numbers of export bulls penned with the best medium weight bulls selling to 370c/kg and lighter types to 380c/kg
