

MUCHEA CATTLE REPORT 25th JANUARY 2021

Nutrien Livestock reports 1501 cattle sold at Muchea Monday 25th January with 105 of these in the calf sale. A very mixed quality yarding saw all values firm to higher depending on quality and weight. Strong live export support is keeping values for heavy steers and bulls fully firm and dearer. Young, lightweight steers and heifers continue to meet very strong competition with one pen of Angus lightweight steers reaching 564/kg, and their sisters 492/kg. Extra heavy cows over 700kg remained equal with good quality lines 500–550kg lifting 10–15/kg. Medium weight gained 5–8/kg due to live export demand. Plain lines were equal, lightweight bulls were firm.
