

MUCHEA CATTLE REPORT 15TH February 2021

Nutrien Livestock reports 2430 cattle sold at Muchea Monday 15th February with Nutrien offering 1576 of these. Many small consignments came forward today no doubt due to widespread rain following on from fires in affected areas. The quality of the yarding was therefore mixed however this had no bearing on demand which was very strong right across the board. The few heavy steers available were fully firm. Heifers lifted 20c/kg. local light weigh steers were very keenly sort and gained 40c/kg+. Steers to feed gained 10c/kg. Local light weigh heifers sold to 582c/kg with heifers to feed firm. A good quality penning of cows saw best heavy lines 5-10c/kg higher with medium weight types lifting 20-30c/kg. light cows also gain 20c/kg. heavy bulls remained fully firm as were all medium weights. Light bulls met strong enquiry to lift 10-20c/kg.
