

MUCHEA CATTLE REPORT 8TH MARCH 2021

Nutrien Livestock reports 1,559 cattle sold at Muchea, Monday 8th March with the company presenting 961 of these. Heavy Bulls continued to be in short supply and values fully firm to dearer. Cow numbers also were few with best heavy lines slightly easier but light and medium types gaining 20/kg. A very good offering of feeder weight local steers and heifers saw value lift 10–15/kg on quality. Best lightweight heifers also gained 10–15/kg. The very few heavy trade types lifted 20/kg. Bulls suitable for shipping and to feed continued to sell strongly with only medium weights easing.
