

MUCHEA CATTLE REPORT 15TH MARCH 2021

Nutrien Livestock reports 1,003 cattle sold at Muchea Monday 15th March with the company supplying 765 of these. Heavy bull suppliers were well down and values eased due to this and quality. Trade lines were very limited, and values were fully firm to dearer. Local steers were in good numbers and gained 50c/kg on last weeks rates. Feeder weight steers lifted 10c/kg. Local, light heifers gained 20c/kg with no feeder weights available in numbers to quote. The few pastoral steers and heifers penned met with strong inquiry. A good selection of cows were available with best heavy weights gaining 10c/kg. Medium weights were equal and light weights lifting 20c/kg to sell to 318c/kg. Young, local medium weight bulls met with very strong competition to sell to 430c/kg with light weights fully firm.
