

## MUCHEA CATTLE REPORT 6th April 2021

Nutrien Livestock reports 546 cattle sold at Muchea Tuesday the 6th of March with the company supplying 327 of these.

Reduced numbers due to the Easter break saw very few trade lines available and values were fully firm. Small numbers of local steers and heifers were penned and values remained equal. Pastoral steers met with fair competition to hold recent values whilst lightweight pastoral heifers attracted steady competition and lifted 30c/kg. The Nutrien cow offering was made up of mainly pastoral lines and remained equal. The few young bulls on offer were equal as were the odd heavy slaughter bull.
