## Market Comment:

A very small offering this week on the back of the Easter break with agents offering only 2853 head in total.

Despite the small offering the quality of the lamb yarding was still strong with most drafts being in the trade to heavy trade category, the majority of trade weights sold at rates of \$145 to \$165 with the couple of heavy pens offered selling between \$165 to \$185 per head. The few store to airfreight weight crossbred lambs sold slightly dearer despite the lack of numbers to compete on with most selling at rates of \$100 to \$135 per head.

Our top pen of lambs this week made \$185 for sold on behalf of DA & PA Bantock, Mogumber

There were very few drafts of Ewe mutton available for the processors to compete on making it very hard to quote. The heavy grades remain similar selling at \$160 to \$185 per head  
Genuine trades types sold at \$135 to \$155 per head.

our top pen of ewe mutton sold at \$195 per head sold on behalf of CA & MA Mills, Toodyay

Remember to Nominate your sheep through your local nutrient agent

Next week we are **Fourth** sale
