

MUCHEA CATTLE REPORT 27th April 2021

Nutrien Livestock reports 698 cattle sold at Muchea 27th April with 38 of these in the calf sale. Numbers remained low after the Anzac Day long weekend with a very mixed quality yarding offered.

The very few trade lines remained firm.

Good quality local steers to feed were firm and heifers 10c/kg higher for odd drafts. Light weights for the paddock were fully firm. A good quality line of young pastoral lightweight steers lifted 20-30c/kg.

Light supplies of cows saw values unchanged.

Small numbers of slaughter bulls saw values generally equal. Young bulls to feed or live export were few and values equal.
