

MUCHEA CATTLE REPORT 24TH MAY 2021

Nutrien Livestock reports 809 cattle sold at Muchea, Monday 24th May with only 9 of these in the calf sale. With one buyer not in attendance heavy slaughter bulls eased 30-40c/kg. All other bulls remained fully equal. Good quality trade steers lifted 30c/kg and heifers gained up to 50c/kg. Very few lines of young local steers and heifers were penned, and values remained equal. A good offering of pastoral steers and heifers saw values lift 50-80c/kg on steers and 20-30c/kg on heifers. The quality of the small cow offering was generally good with heavy lines gaining 10-15c/kg. Medium weights were equal while the plainer types meant keen competition to lift fully 10c/kg.
