

MUCHEA CATTLE REPORT 31st MAY 2021

Nutrien Livestock report 906 cattle sold at Muchea, Monday 31st May with 40 of these in the calf sale. Very few good quality local trade and yearling steers and heifers were available with the majority of the yarding being pastoral cows, steers, heifers, bulls and cows. Local cows also were very scarce. A good quality penning of ex pastoral heifers met strong competition to improve by 10c/kg. Heavy slaughter bulls gained 20-30c/kg to sell to 360c/kg. The odd line of yearling steers to feed were fully firm. Light and medium weight pastoral steers and heifers were down in quality and generally eased slightly. Pastoral bulls to live export and feed were equal. Small supplies of cows resulted in values for all grades lifting 10c/kg.
