## Market Comment:

A slightly larger offering at Muchea this week, Agents Yarded a total of 8103 head with Nutrien accounting for 2938 head of the total. The yarding comprised of 5722 lambs and 1221 ewe mutton with good quality throughout.

Nutriens top price lambs were a pen of 143 lambs, that sold for \$220 per head on behalf of GW & LM Dring of Warradarge. The remaining heavy weights remain strong selling at rates of \$190 to \$210 per head.

Lambs in the trade weight category also remain strong at \$165 to \$180 while the light weights sold very similar to last week with the majority selling at \$145 to \$160 per head. The Airfreight / Feeder strengthened slightly to sell at rates of \$120 to \$145 with genuine stores selling at \$60 to \$120 per head

There were some great ewe mutton offered again this week with the top draft of 106 Merino ewes offered on behalf of SE Daddow topping our market at \$220 per head, the remaining heavy ewe mutton similarly at rates of \$170 to \$205 per head, genuine trade types also stayed strong selling at \$140 to \$165 per head while light trade and boners sold rates of \$65 to \$130 per head.

There were very few good quality store wethers available, competition came from agents and graziers with the majority selling similar. Better store types sold at rates of \$135 to \$145 per head, lighter second drafts sold dearer at \$95 to \$125.

Please remember to nominate your sheep through your local Nutrien agent.
