

## MUCHEA CATTLE REPORT 14<sup>th</sup> JUNE 2021

Nutrien Livestock reports 783 cattle sold at Muchea Monday June 14<sup>th</sup> which included 154 in the calf sale. Numbers were again reduced with a very mixed supply of mainly store types penned. Consequently, the few good quality trade lines lifted considerably on last week. Young, local steers and heifers, although mixed were equal. Heavy bulls gained 40c/kg and all young bulls remained fully equal. Fair supplies of pastoral heifers also remained equal. Best, heavy local cows generally were equal with odd specials higher. All other classes were equal.
