

MUCHEA VEAL REPORT 21st June 2021

Today Muchea agents yarded a total of 99 calves and Nutrien Livestock selling 71 of them.

Today Muchea calf numbers reduced slightly. Quality was patchy with demand being quality driven. There were no locally bred calves penned this week. Pastoral bull calves sold mainly to graziers with a pen of Droughtmaster bulls selling up to \$690.

A very sappy pen of shorthorn heifers sold to strong grazer and butcher demand and reached \$810.
