

MUCHEA CATTLE REPORT 28th June 2021

Nutrien Livestock reports 1232 cattle sold at Muchea, Monday the 28th June 2021 with 193 of them being sold in the calf sale.

Pastoral heifers, bulls and cows dominated the yarding with once again small numbers of local trade cattle available. Local lightweight steers under 300kg realised a top of 586c/kg with those to feed gaining 30c/kg to sell to a top of 560c/kg. Lightweight local heifers sold to 500c/kg and the few on offer over 300kg lifted 15c/kg to sell up to 504c/kg. Best quality lightweight pastoral heifers lifted sharply to peak at 518c/kg with all other lines firm. Heavy local bulls eased 10c/kg whilst the majority of the light and medium bulls were pastoral and gained 20c/kg under strong enquiry. A very good quality yarding of pastoral cows in the first run saw values improve 20c/kg whilst plain cows met with very strong competition to improve 30c/kg.
