

MUCHEA CATTLE REPORT 19TH JULY 2021

Nutrien Livestock reports 1027 cattle sold at Muchea Monday 19th July with 30 of these in the calf sale. Nutrien yarded and sold 786 of the total yarding. Numbers of local steer and heifer were again restricted and trade steers lifted 30c/kg whilst heifer were firm. The quality of the pastoral cattle on offer was in the main very good and values for heavy steers lifted 10-15c/kg whilst heifers were firm. Good supplies of lightweight pastoral bulls met string bidding to see values top at 500c/kg. Heavy local bulls eased whilst heavy pastoral bulls were equal. A small but good quality penning of cows saw heavy lines lift 10c/kg whilst all other grades were equal.
