The Airfreight / Feeder types remained similar with most pens selling at rates of \$125 to \$140 per head with genuine stores selling for \$60 to \$115 per head.

There were some brilliant ewe mutton offered with eastern wheatbelt types leading the market yet again selling at a high of \$232 in the wool, the majority sold at \$175 to \$220 per head to be stronger by \$3/4, Genuine trade types sold strong yet again with another slight increase in rates selling at \$145 to \$172 per head with light trade and boner mutton remaining unchanged at rates of \$85 to \$130 per head.
