

## **MUCHEA VEAL REPORT 30<sup>th</sup> August 2021**

Today Nutrien yarded a total of 77 calves.

Numbers were again low this week in the calf pens. Demand stayed strong with competition across all categories.

1 local steer calf sold up to \$1015. A single pastoral steer also sold up to \$905.

Pastoral Bulls again met with strong support selling up to \$780.

Pastoral heifers also met with solid demand and sold to a high of \$765.
