

MUCHEA CATTLE REPORT 20th September 2021

Nutrien Livestock reports 2579 cattle sold at Muchea, Monday 20th September, with 157 of these in the calf sale.

The yarding was again dominated by pastoral cattle with large numbers of bulls and cows of all categories. Trade types were hard to quote due to numbers but were generally firm.

Heavy pastoral steer and heifers were equal. Local steers to feed were equal with heifers too few to quote.

Heavy slaughter bulls met very strong competition to sell to 488c/kg whilst liveweights were equal.

Heavy local cows eased 10c/kg however pastoral lines were equal with medium and light weights firm.
