

MUCHEA VEAL REPORT 22nd September 2021

Today Muchea agents yarded a total of 157 head., falling by 115 from last week's sale and the majority were medium to light weight pastoral calves. Local angus steers sold to a top of \$965 each, pastoral bull calves to \$700. A quality line of drought master heifers sold to \$800. Grazier and butches were active in the market, but prices eased 10-20 \$/h in the lighter pastoral offering. Medium weight heifer calves maintained last week's rates.
