

MUCHEA CATTLE REPORT 25th October 2021

Nutrien Livestock reports 1976 cattle sold at Muchea Monday October 25th with Nutrien selling 972 of these. A few more local cattle came forward this week however, pastoral consignments of all classes still dominated the yarding. Pastoral heavy steers remained equal however, local steers over 400kg lifted dramatically to sell to 580c/kg equivalent heifers gained 30c/kg to sell to 528c/kg. Lightweight local steers peaked at 630c/kg to lift 30-50c/kg whilst those to feed improved 30c/kg. Local heifers 200-300kg sold to 600c/kg or 50-60c/kg higher. Pastoral heifers gained 30-50c/kg. A smaller yarding of cows and the absence of one buyer saw values generally ease 20-30c/kg. Heavy medium and most lighter weight bulls were fully firm with only poor quality lightweight pastoral bulls slipping 40c/kg.
