Market Comment:

6701 head were offered this week at Muchea sheep sale with the majority of the yarding in store to light trade condition. Nutrien accounted for 2476 head of the total yarding. The yarding was comprised 2365 lambs, 2082 Ewe Mutton and the balance made up of predominately merino wether hoggets with a larger than usual yarding of goats.

There were only a few good pens of trade suckers again on offer which sold at rates of \$155 to \$185 per head to be similar to last week, Light Trade lambs sold slightly easier at rates of \$138 to \$145, feeder and store lambs also eased with lack of supply along with buying support, the majority selling at rates of \$90 to \$135 per head.

The mutton offered this week eased slightly across the board, Heavy trade types sold at rates of \$138 to \$170, the genuine trades sold at rates of \$105 to \$132 per head. Boner mutton sold at rates of \$80 to \$100 with very light boners to a low of \$60 per head finishing similar. selected lines of lighter younger mutton sold slightly stronger due to Agent competition, those lines sold at rates of \$115 to \$140.

with a larger than usual supply of goats this week, coupled with several goat purchasers absent from the marketplace caused an ease of up to \$40 per head, the majority of young goats offered sold at rates of \$30 to \$65 per head.

Please remember to nominate your sheep through your local Nutrien agent.

Next week we are **Second** sale
