

MUCHEA CATTLE REPORT 13th DECEMBER 2021

Nutrien Livestock reports 1949 cattle sold at Muchea, Monday 13th December, with the company selling 1,121 of these. A mixed quality yarding of both local and pastoral cattle met with strong competition across all sectors, particularly young, local lines to the paddock and feed.

Heavy pastoral bullocks held recent values and all trade weight lines were fully firm. Heavy bulls to slaughter were equal and all younger, light and medium lines were fully firm.

A very good quality yarding of local and pastoral cows saw values for heavy weights fully firm with odd specials 10c/kg higher. A mixed quality offering of pastoral medium weight heifers saw best lines firm whilst light weights remained equal.
