

MUCHEA CATTLE REPORT 20th DECEMBER 2021

Nutrien Livestock reports 1454 cattle sold at Muchea, Monday 20th December, which represents a fall of around 500 head from the previous week. Heavy local bulls gained 20c/kg with heavy pastorals up 10c/kg. All other classes of bulls remained equal.

Reasonable supplied of local, young steers and heifers saw values firm. Of the few pastoral heifers penned, best quality medium weights met strong competition to lift 30c/kg with others equal. A small but good quality yarding of cows saw extra heavy locals equal and others 5-8c/kg easier. Medium and lightweights were equal.
