

## MUCHEA CATTLE REPORT 24<sup>th</sup> January 2022

Nutrien Livestock reports 859 cattle sold at Muchea Monday 24<sup>th</sup> January, approximately 500 less than the previous week. The quality of the few trade lines available was missed and values were barely equal. Young steer and heifers (local) were mixed in quality with values also equal. Young bulls to feed and live export were once again keenly sought after and were fully firm. Better quality heavy pastoral bulls lifted 20c/kg. A very good but small yarding of cows saw heavy lines lift 25c/kg and medium weights 20c/kg. Plain lines fully firm.
