

## MUCHEA CATTLE REPORT 07<sup>th</sup> FEBRUARY 2022

Nutrien Livestock reports 1495 cattle sold at Muchea Monday February 7<sup>th</sup> in another mixed quality yarding with very strong support from all sectors. Heavy slaughter bulls lifted 20c/kg and all young bulls met strong competition from exporters, feeders, and grazers to remain fully firm to dearer! Young pastoral heifers also received close attention with the better bred lines lifting 30-80c/kg depending on weight. The trade lines available were firm. All local steers and heifers to feed remained equal as were lightweights to the paddock. A good quality penning of local and pastoral cows saw heavyweights and medium weights gain 20c/kg with specials to 380c/kg. Lightweights also lifted fully 20c/kg plus.
