

## MUCHEA CATTLE REPORT 14<sup>th</sup> February 2022

Nutrien Livestock reports 1231 cattle sold at Muchea Monday 14<sup>th</sup> February, a fall of approx. 260 head on last week. Reasonable suppliers of trade types saw values fully firm. Local young cattle were mixed in quality and down in numbers which saw some price fluctuations, however the few quality lines penned were fully equal. A line of very good quality Droughtmaster steers lifted on values due to strong live export competition. Heavy slaughter gained 10-15c/kg with spirited bidding and all other classes of bulls were fully firm. A small but good quality penning of cows saw all grades fully firm to dearer.
