

MUCHEA CATTLE REPORT 21st February 2022

Nutrien Livestock reports 1043 cattle sold at Muchea Monday 21st February, a fall of 188 head. A very mixed quality offering of local trade and yearling cattle were penned with values firm to a shade dearer. A very good offering of heavy slaughter bulls saw values break through the 400c/kg bracket to peak at 406c/kg. This trend followed through to the cow sections where the quality was high and best heavy cows improved to reach 394c/kg. This flowed onto medium weight cows which gained 10c/kg and the small offering saw values equal. Bulls to live export and graziers were generally strong however quality caused some lighter weights to ease.
