

MUCHEA CATTLE REPORT 21st March 2022

Nutrien Livestock reports 1195 cattle sold at Muchea Monday 21st March with Nutrien yarding 777 of these. There were very few trade types available and values were equal.

Local, young steers were few in number and best lines to feed lifted 10-15 c/kg. Equivalent local heifers also gained 20c/kg. Light and medium weight pastoral heifers met strong competition to firm in values.

Bulls suitable for live export and feed remained fully equal however heavy slaughter bulls fell sharply to top out at 328c/kg.

A very good cow line-up saw heavy weights lose 8-10c/kg however medium and lightweights continued their strong run to remain fully firm.
