

## MUCHEA CATTLE REPORT 8th March 2022

Nutrien Livestock reports 827 cattle sold at Muchea Tuesday 8<sup>th</sup> March with 340 penned by Nutrien. The quality once again was very mixed with very few trade cattle to quote on. Local yearling cattle tended to ease but this was mainly due to quality and small lines. All grades of local and pastoral bulls held last weeks rates. The small offering of local and pastoral cows saw heavy lines lift 20c/kg as did all medium weights. Lightweights were firm. The highlight of the day was a consignment of Angus PTIC cows ex Moora that met strong enquiry to peak at 565c/kg.
