## Market Comment:

Post long weekend Muchea agents yarded 10,006 head, Nutrien accounting for 3547 head with some reasonable quality trade lambs in our front row, the ewe mutton yarding was also of a good quality but lacked any significant numbers, the majority of market grades eased.

There were several good quality drafts of trade lambs available which predominately sold at rates of \$160 to \$200 per head to a top of \$208, finishing significantly easier on last week. Light trade lambs sold at rates of \$135 to \$155 also easier while feeder and store lambs offered sold predominately at rates of \$70 to \$110 per head.

Mutton were once again were short is supply, competition was similar with heavy trade types selling at rates of \$155 to \$190 to a top of \$195 per head for Border Leister cross ewes, the genuine trades sold at rates of \$110 to \$140 per head. Boner mutton also remained similar selling at rates of \$75 to \$110 with very light boners to a low of \$40 per head
