

MUCHEA VEAL REPORT 28th March 2022

Today agents yarded a total of 165 veal with Nutrien livestock selling 126 of them.

This week's yarding consisted of light weight pastoral type calves and very minimal local animals.

The better end of the pastoral bulls sold to \$925 with the medium weights selling to \$600-\$650.

Pastoral steers sold anywhere from \$350 - \$410.

Pastoral Heifers on average sold between \$500 to \$600.
