

MUCHEA CATTLE REPORT 11th APRIL 2022

Nutrien Livestock reports 678 cattle sold at Muchea Monday 11th April with Nutrien offering 434 of these. Small numbers again with some processors not attending. The quality was once again very mixed and trade lines too few to quote. Young local light weight steers and heifers were in fair supply and met strong competition to gain 30-50c/kg. Store pastoral steers 0-2 tooth sold to solid enquiry to gain 30-50c/kg on quality. The odd heavy cow penned eased 10-20c/kg however the medium and lightweights remained equal. Heavy bulls eased 40c/kg. A very small penning of pastoral bulls to export and feed were mixed in quality with mediums easing 40c/kg with a handful of light weights equal.
