

## MUCHEA CATTLE REPORT 2<sup>nd</sup> MAY 2022

Nutrien Livestock reports 1498 cattle sold at Muchea Monday May 2<sup>nd</sup> with Nutrien representing 850 of these. The few good quality trade steers and heifers met strong enquiry from both wholesale and retail buyers to firm up on values. Yearling steers and heifers were well down in numbers and values tended to ease. Fair supplies of pastoral heifers were penned with values barely equal. Heavy slaughter bulls were of very good quality with values generally equal with odd sales easier. Most lines of young bulls suitable to live export and graziers were equal however light weight pastoral bulls lifted 30c/kg to sell to 575c/kg.
