

MUCHEA CATTLE REPORT 16th May 2022

Nutrien Livestock reports 889 cattle sold at Muchea Monday 16th May with Nutrien presenting 659 of these. Much larger supplies of pastoral bulls, steers, cows and heifers came forward but in the main were poor in type and condition and prices reflected this. Heavy bulls eased up to 40c/kg under much quieter competition. The few lighter bulls on offer to live export and feed were barley equal. Very few local trade types were penned and values fell 40c/kg. Local yearlings were few and mixed with prices easing 40c/kg plus. Light pastoral steers and heifers achieved prices according to their quality which resulted in falls of up to 80c/kg under limited competition. The cow portion was predominantly pastoral drafts and with the exception of a few pens were plain, older types. Values Generally eased 50c/kg across the Board.
