

## MUCHEA CATTLE REPORT 23<sup>rd</sup> May 2022

Nutrien Livestock reports 950 cattle sold at Muchea Monday 23<sup>rd</sup> May with Nutrien presenting 853 of these. Heavy local bulls fell 20c/kg under very soft enquiry. The heavy pastoral lines eased 20c/kg and the few younger lines penned were equal. The quality of the local yearling steers and heifers was much better this week and prices reflected this with gains of 50-80c/kg to come back in line with recent store sales. The few lightweight pastoral steers available met strong competition while pastoral heifers remained equal. Best heavy cows lifted 20-40c/kg due to a new competitor with medium weights gaining 10c/kg. Lightweight cows were firm.
