

MUCHEA VEAL REPORT 20th June 2022

Today agents yarded a total of 13 veal with Nutrien livestock selling 9 of them. Demand dropped off this week as the numbers declined. Southwest and local graziers were in attendance whilst butchers and Eastern states graziers were absent.

Local Bull calves sold up to \$1100 whilst their sisters made a top of \$900 and the steers a top of \$1060.
