

MUCHEA CATTLE REPORT 27th June 2022

Nutrien Livestock reports 880 Cattle sold at Muchea Tuesday 27th June with Nutrien presenting 571 of these. The bulk of the yarding was made up of cows, both local and pastoral and mixed quality pastoral bulls of mainly lighter weights. Local steers and heifers were restricted to odd small lots and too few to quote. Pastoral heifers off grain sold to fair enquiry to close firmer. Better quality pastoral heifers remained equal with poor lines hard to quit. Best quality lightweight pastoral bulls eased 20-30ckg with poorer quality lines easing further. Best heavy local and pastoral cows remained equal as did medium weights with plainer light cows easing slightly.
