

MUCHEA CATTLE REPORT 11th July 2022

Nutrien Livestock yarded 962 cattle out of a total of 1630 at Muchea Monday July 11th. The overall quality was well down, with large supplies of pastoral bulls, heifers and cows. Local trade and yearlings were few and far between. Heavy bulls were barely equal with the majority of the medium and lightweights 40-50c/kg easier. Due to quality, the majority of the medium and lightweight pastoral heifers also fell 50-60c/kg. Reasonable supplies of cows saw best heavyweights ease 10c/kg with medium and lightweights down 10-20c/kg
