

MUCHEA VEAL REPORT 8th August 2022

Today agents yarded a total of 72 veal with Nutrien livestock selling 57 of them. Numbers were equal to previous weeks and demand was reduced across the board. Quality was equal with the majority of the calves being from a pastoral background.

A Charolais Bull calf sold to \$780 whilst an Angus heifer made \$790.

With the best of the pastorals selling to \$700 for a pen of Droughtmaster bulls.
