## Market Comment:

A larger yarding at Muchea this week with 4853 sheep yarded and Nutrien selling 2505 of these.

More new season lambs came forward, most reflecting the good seasonal condition however with limited competition values eased by \$15. Old season lambs still coming forward, better types going to the trade. Wether lambs receiving increased competition from restockers but ewe lambs neglected.

856 ewes yarded. Values eased by \$10 with a highlight pen of 182 young March shorn ewes selling at \$140.

Rams continue to receive good competition to top at \$145

*Nutrien are **2nd** sale next week.*
